To:

The Secretary
Chennai District Pigeon Federation

Sub: Results of Combine race

Sir,

With regard to the combine race that was conducted by your association in the last three weeks, it would be suggested that your association would be in the best position to determine the results and convey the same to us.

We would then pass on the same to the national federation for issuing the certificates.

Assuring your association of every support in any way.

Thanking You,

Ivan Phillips
